

## **Jeri-Lynne's Jottings**

### **Springing Forward!**

Robert Schuller tells of a winter at home, when his dad needed firewood. He found a dead tree and sawed it down. In the spring, to his dismay, he found new shoots had sprouted from the trunk. He said to his son, "I thought sure it was dead; the leaves had dropped, the twigs snapped, it seemed as if there was no life there. But now I see there is still life at the tap-root of the old tree." He looked at his boy and said, "Bob, don't forget this important lesson. Never cut down a tree in the wintertime. Never make a negative decision in a low time. Never make your most important decisions when you are in your worst mood. Wait. Be patient. The spring will come."

How often do we need to heed these wonderful words of advice? Winter is just ending and the long gloomy, cold days are behind us! Circleville Presbyterian Church has also endured a rather low time with some financial difficulties, issues of conflict, and the loss of some good friends and family. Perhaps it is good that we have not made our most important decisions (identifying our course for the future) during those times.

But it is spring! Times are getting better and signs of renewal and growth are everywhere! We have made some decisions on long standing projects including the technological updates for the sanctuary and beginning an alternative worship service once those updates are completed. We have made stewardship commitments to God, in our financial giving and service. Our leadership has made some changes in its structure, becoming teams and reassessing their missions and goals. We are updating our website and opening up new possibilities for generosity through e-giving (Push Pay). Renewal and growth abound! But that also means we must be willing to adapt and change as this new growth sprouts up around us, just as the ground must make way for the flowering bulbs to reach the surface.

And now it is time for the church to get energized, excited and active in making some important decisions about how our church family fits into God's great plan for the Kingdom!

That is why I am asking for volunteers to serve on our Mission Study Team. This team will use information gathered over the past year through surveys, meetings of discernment and local statistical data to write the Circleville Presbyterian Church Mission Study. It will include a new mission statement and a vision statement. This Mission Study will then be used by our future Pastor Nominating Committee to write a Ministry Information Form. Once this is completed we can begin to search for a pastor candidate that is a match for Circleville Presbyterian Church.

The Mission Study is critical to the process of searching for a new pastor because it defines who we are as a church. If you feel called to participate in this study please let me know as soon as possible. Elders Wally Higgins and Charlie Hedges have volunteered to facilitate the team.

All of this “stuff” we need to accomplish in our search for a new pastor seems arduous and lengthy....be patient. Remember how long winter seems? Yet, when spring comes we recognize that winter was just a season...a time to be still and prepare for new growth!

I am so excited to share in this time of renewal and growth at Circleville Presbyterian Church!

In Christ's Service with You,  
Pastor Jeri-Lynne

## *Focus on Marian Hallum*

I am about to introduce you to a most fascinating woman. Since I am unable to climb stairs, she agreed to come to my condo on a beautiful Friday afternoon.

She was born in Fairfield, Alabama and matriculated in that school system from first grade to high school graduation where she played basketball. Her senior year, she met Alton, who had recently been discharged from military service and was returning for his senior year. Thus, they graduated together. They began dating soon after they met in 1945 and in December of 1946 they were married. This year marks their 70<sup>th</sup> wedding anniversary. At that time, she was a Dictaphone Operator for an insurance company in Birmingham while Alton attended Auburn University. Although she had moved to Auburn in 1947, pregnancy caused her to return to Birmingham to birth her first child, a son, January 4, 1948. Marian voted for the first time in the 1948 Presidential Election and she has never missed an election since.

Alton continued his studies at A.U. and she typed papers for students and did mending for a little extra money as they were living on the G.I. Bill income. Alton graduated as an Aerospace Engineer with a major in Mechanical Engineering in 1949, and the following year they moved back to Birmingham, bought their first home and she delivered her second son in October. Their third son was born in 1953. A daughter followed in 1956. She became involved in the P.T.A. and the Engineer's Wives Club during those years.

Shortly after they moved to Nashville, TN in 1957, they found themselves on the road again the same year heading for San Diego, CA. Although she felt she was an inexperienced driver they headed west in two cars with Alton leading the way. They were only in Claremont for six months but she became involved immediately as the room mother for one of her sons.

She was pregnant with their twin daughters when they headed back to TN. 1960 found them in Middletown, OH where she added a bridge club, bowling, Middletown Safety Council to her usual standard of P.T.A. activities. She and Alton also coached a Knothole Baseball team. To us, that means a Little League Team. Their fourth son was born there in 1961 before they moved to Cleveland that same year. Their eighth child, a girl, was born in 1966. As if eight children were not enough to keep her busy, Marian continued in the P.T.A. (president), Child Conservation League (president), and Southwest Mothers of Twins Club, which became a part of her life for more than 15 years. She served as secretary, treasurer, and was president three times. When their Twins Club joined the Ohio Federation Mother's of Twins, she served on every committee, was secretary, treasurer, 1<sup>st</sup> and 2<sup>nd</sup> vice president before being the president three times. No wonder she was voted the state's Mother of the Year in 1967. It wasn't until 1971 that she took up golf.

They traveled extensively over the years and have visited all 50 states. The trips included crossing the country nine times, annual camping trips with the kids, and returning to the south for visits with relatives every three years. They continued to travel and progressed from camping, to cruises and tours. In May they will journey to points in Alaska including Denali.

Alton retired in 1982 and they moved to Circleville in spite of the fact they had never been here before. They liked the weather in this area and wanted to keep their daughter and last child, in Ohio because she still had two years until her high school graduation. They joined this church, made friends, and decided to stay. Unable to find an available house, they purchased a mobile home in 1983 where they have lived ever since. Typical of her, she jumped right in and joined a golf league where she served as president, secretary and treasurer during the following 15 years plus back to bowling. After joining the Berger Hospital Gift Shop Board, she began working in the gift shop and has continued to do so for more than 30 years. She is a passionate amateur photographer, loves her computer (Windows 10) on which she has stored her photos and makes all her greeting cards. Sewing is another hobby where she made all her daughter's clothes including prom dresses and one wedding gown plus sewing for the boys and herself. She crochets and has made so many sweaters that she started giving them to her daughters. She has created prayer shawls, baby blankets and hats for the church. The small garden she plants each year doesn't produce much but as she says, "The fun is still in the doing." Of their eight children, six graduated from O.S.U. and two were educated elsewhere. One son has a Ph.D and another has a Master's Degree. They have 18 grandchildren and six great-grands, all living in various and sundry states.

She told me she purposely left her spiritual journey for the last because no matter where they lived, church was always very important to her and the children attended Sunday school. She is a life-long Presbyterian. When she was growing up, her father was active in the Christian Endeavor program at their church and it was a big part of her life. One year, when she lived in Birmingham, she was in charge of the V.B.S. In this church she has served as a deacon and an elder, helped start the Community Kitchen and belongs to Around the Cross. Over the years Marian has experienced multiple health issues causing joint replacements and including one year when she was on bed-fast traction for three months due to a back problem. That was the time when members from this congregation kept body and soul together with food and personal carrying touch. She has nothing but high compliments for her fellow parishioners. Like me, she loves the old traditional hymns, i.e. "In the Garden," "Just As I Am," and "The Old Rugged Cross." We both realize these are hymns that teach theology unlike many of the modern praise songs.

We are indeed blessed to have this couple in our church family.  
*Diane Berger*

### CALLING ALL BAKERS AGAIN

Congregational Care and Nurture Team will again be serving lunch to the Pickaway Bar Association and its Administrative Assistants on Wednesday, April 27 at 12:00 noon in Campbell Hall. Although the team is leading this fundraiser, it by no means is limited to team members. The proceeds will benefit programs of the church. If you love to bake, we are in need of desserts. If you love to cook, we will need help at 9 am on April 27 as we prepare the main dish. And if you love to serve, we will need help during the luncheon and afterward as we clean up. If any of these tasks sound fun or fulfilling, please call Marcia Smith at 614-306-8633 or 740-477-1772. The team will also be coordinating the Rotary Law Day Breakfast scheduled for May 3 in Campbell Hall. Again the proceeds will benefit programs of the church. The menu will resemble our own Advent Brunch. Help is needed May 2 at 9 am to prepare the breakfast casserole. Assistance will be needed on the dawn of the breakfast to prepare fruit, juice and coffee. Please call Alice Harker at 740-474-4435 or 740-248-6083 if you would like to help with this community project.

The Board of Deacons invite you to a Pancake Breakfast on April 24, 2016 after church. It's a great way to share a meal and meet someone new. The menu will include pancakes, sausage, bacon, and drinks. We hope all of you will join us to celebrate spring. Psalm 104:33 says "I will sing to the Lord as long as I live; I will sing praise to my God while I have my being." During the breakfast we will watch the documentary titled "Alive Inside" a program that is underway at Brown Memorial.

Teresa Ankrom (who serves on the board at Brown) will share this video which won the Sundance Film Festival award in 2014. This worldwide program advocates the use of music therapy for dementia patients. Our church is participating in this project through monetary donations and donations of used iPods and iTunes gift cards. Members of our congregation have participated in completing musical assessments of the residents.

Donations will be accepted during the breakfast to continue our participation with this project as well as the other ongoing opportunities that the Deacons take on to demonstrate hospitality and fellowship. We hope all of you will attend to eat and learn about this significant outreach project.

## **CHRISTIAN EDUCATION**

*By Diana Jones, D.C.E.*

**EASTER IS ONCE AGAIN HISTORY, BUT HOW HAS YOUR LIFE CHANGED? Was it such a hectic time, that you didn't stop to think about the true meaning? It is not too late to let God be in control of your life and for Him to help you to focus on the important things.**

**NEW TO US ON CHRISTIAN ED IS OUR NEW NAME! We are now going to be a team, not a commission. Our team will be DISCIPLESHIP AND SPIRITUAL FORMATION (or DSP). We will be talking more about this at our meeting on Sunday, APRIL 10<sup>TH</sup> after worship in the Youth Area. All members are asked to be present since we will also be deciding on a new curriculum for fall.**

**ONCE AGAIN WE WILL BE OFFERING SCHOLARSHIPS TO GRADUATING SENIORS. You may pick up an application on the table outside the office. They are due back to Diana no later than April 30<sup>th</sup>.**

**GRADUATION IS JUST AROUND THE CORNER AND WE WILL BE HONORING OUR SENIORS ON Sunday, May 22 during worship. Our seniors are Ally Bretthauer, Mac Clark, Jeff Clydesdale, Neal Davis, Monica Gans, Emily Hardin, Andrew Hill, Emma Johnson, Brayden Kershaw, J.T. Lamb, and Flynn Shannon.**

**OUR CONFIRMATION CLASS is getting closer and closer to membership into our church family. They are working on their statements of faith and preparing to do a worship service on May 8<sup>th</sup>. They will be received on Sunday, May 15 (Pentecost). I am sure that the sponsors are keeping in contact with them.**

**WORDS CANNOT BEGIN TO THANK the middle school and senior highs on their participation in our Easter and Maundy Thursday services. Their dedication and willingness to serve this church is extraordinary, and I hope that each of you have recognized and thank them. The message given by Emily Hardin at the sunrise service was inspiring and demonstrated her commitment to her faith. Andrew, Jeff, Morgan, Mac, and Brayden spoke with conviction and Monica's solo was a tribute to her God. Maddy and Michael Clark did a fine job with ushering and as acolyte.**

**MANY THANKS FOR THE HELPING HANDS THAT made a delicious breakfast organized by Curtis. Our servers were the middle school students who each contributed to the success of the morning.**

**COMING UP: Sunday School rotation will be the "Good Samaritan" for K-4.**

**May 8 – children sing and confirmation class does the worship service**

**May 15 - Confirmation Class received**

**May 22 - Graduate Recognition**

**Much love,  
Diana**

*Dear Members of my church family;*

*This is a bittersweet letter to each of you. As of June 1<sup>st</sup>, I will be retiring and moving to Wooster, Ohio. This has been a long and difficult decision, but one in which I am convinced is the right thing for me to do. My family is two and half hours away and since the triplets activities have now been set for week days rather than weekends, it makes it more difficult to drive up and back the same day. Even though my house has sold, I still am looking for a condo in the Wooster area.*

*Circleville will always be our home since we have lived here since 1970. We have met and loved some extraordinary people through the years and hope those friendships will remain close. There have been many times, especially in the last three years, that the support and love of our church family has gotten us through tragedy and sadness .*

*I have loved every minute working in Christian Education. There have been many changes over the years and will continue to be as the church grows. However, the one constant is the love, support, and generosity of this church to each other. No matter what issues have come our way, we eventually have come back together as a whole. My wish is that this will continue. Jesus teaches us to forgive and that is what we must do in order to heal.*

*There are super children and youth in this church family as well as the parents that are raising them. We need to do everything in our power to understand the life they are living today, and not wish for the “good old days when...”. When we work together to compromise on something rather than pick sides, we become stronger and more focused on the entire picture. I have always “expected” children to do their very best in any circumstance, and consequently never have been disappointed in the outcome.*

*And so, I do not say goodbye, but rather so long and thank you for making my life richer in so many ways.*

*My love always,*

*Diana*
